

Worship

This is Holy ground. We're standing on Holy ground.
For the Lord is here and where He is, it is Holy.

These words best describe the nature of the primary worship services. The dynamic elements you will encounter during our worship services will create an experience like no other. The powerful sounds of the choir and live music prepare you to hear Rev. Jacky Connell bring a dynamic word from God.

At Eden Westside, we have several opportunities to worship throughout the week on Sunday and Wednesday. We do offer children's and preschool worship services as well. We have nursery for the children not old enough to attend the children and preschool services.
