    - God's work is not about you and what you want to do!
    - Being involved in anything other than what God is doing is useless activity – in other words you are wasting your life.
  
- (4) This whole vision connection is based off an intimate spiritual love relationship:

John 15:20

WOW – wouldn't it be great if we would just do what God shows us to do?
